Deployment and Homecoming Issues – Jacqueline Garrick, American Legion – Washington D.C.

Basic information on trauma, grief, PTSD will be presented.

Traumatized Veterans: The Inner Journey Inaugural presentation of the DVD/Video produced and created by a group of local War Veterans with a mission to "Encourage and support War Veterans to seek help through individual and group counseling." This group of dedicated Veterans want to MAKE A DIFFERENCE in other Veteran's lives.

Traumatized Veterans: The Healing Power of EMDR & IFS

Veterans who served in the war zones of our world are now able to heal and end or reduce the nightmares, sleeplessness, anger, images, pain – by a new combination of procedures embedded in a scientifically proven treatments. NOTE: Tested by the veterans arranging the conference.

Question and Answer Panel of invited Veterans who participated in the making of the Video from WWII, Korea, Vietnam, Desert Storm, Operation Freedom, Iraq, Afghanistan, Panama and other military events.

Veteran Resource Panel with guests from a variety of organizations and agencies that service the Veteran, each briefly sharing what types of service they provide.

Exhibit Hall Veteran Resources, agencies and organization displaying their literature about services they offer to the Veterans and their families.

Vets Helping Vets, Inc. will be selling DVD/Video, T-Shirts, bumper stickers, and wrist bands. Money raised will be used to pay for costs of creation, production, distribution and marketing of this and future DVD/Videos, as well as financially assisting Veterans and their families who are in need in the Marinette, Oconto and Menominee counties. A volunteer board of War Veterans, whose dream and vision brought this project into existence, will distribute the funds to local Veterans through Vets Helping Vets, Inc.

NOTE: Local Area State and Federal Senators and Representatives have been invited to participate throughout the day as introducers, closing and opening speakers. This is a bi-partisan event. No campaigning will occur.
